

March Resident Council Meeting  
March 10, 2009

The March, 2009, meeting of the Park View Manor Resident Council was called to order by Mary Pavek.

The pledge of allegiance was recited.

A motion was made by Doug Wait and seconded by Joanne Lukefahr to approve the November minutes as written. Motion carried.

Representatives of the Antigo Fire Department gave a presentation on Fire Safety and Emergency Procedures.

An Easter dinner was discussed. A potluck meal will be held on April 11, 2009 at noon. Lucille Skidmore agreed to be in charge of cooking the ham!

Mary gave an overview of the 2010 Annual and Five year plan. Discussion covered the continuation of the window replacement in the building. All residents, by a show of hands, were very happy with the new windows and agreed that we should continue to expend funds for this purpose.

Also discussed was remodeling of the common area kitchen to modernize and address accessibility issues for handicapped individuals. Residents are pleased with the upgrades to the common area bathroom that address accessibility issues.

Additional suggestions were for security cameras in the parking lot and the elevators. We will pass these suggestions on to Paul for consideration.

The five-year physical needs assessment work items were reviewed. There were no additional comments

Someone is stealing food from the community kitchen. This food belongs to the Meal Site Program with the Committee on Aging. One option is to close the kitchen altogether, but this would be unfair to the rest of the tenants that respect the rules.

For now, the food belonging to the meal program will be removed from the kitchen each day. Any food that remains in the common area kitchen is not to be used for private use.

Carol Arndt asked if residents are happy with the new TV and if anyone is having problems working the new satellite system. No one seemed to be having problems. It was asked that the community room remote control be left in the community room at all times.

Community Room Usage was reviewed and discussed.

Tenant comment period:

Don Diercks requested that we have a moment of silence after we recite the pledge of allegiance to honor and remember military men and women who are serving our country.

Winners of the \$10 rent certificates were: Bill Fredergill and Marge Prasalowicz.

Motion to adjourn by Doug Wait, Second by Bob Welnetz.

Meeting was adjourned at 2:50 p.m.
